

Middle Level Affiliation

A special dues structure for FCCLA middle level (grades 8 and below) chapters is available to chapters that qualify. It is designed to accommodate the unique characteristics of middle level programs. Specifics of the program are summarized for you below:

- Students in grades 8 and below, enrolled in a Family and Consumer Sciences course, *a semester or less in length*, are eligible for chapter affiliation.
- The annual national affiliation fee is \$450, (*This fee covers all students in your class any time during the year.*) which entitles each eligible chapter to receive 50 copies of *Teen Times*.
- In schools with grades 6–12, only those in grade 8 or lower are eligible for the middle level chapter membership. Others must join as individuals.
- National middle level chapter affiliation is available only if the state offers chapter affiliation as well. **An additional state affiliation fee may also be required. Ohio FCCLA affiliation fee for Middle School is \$200.**

Middle level affiliation for grades 8 and below is optional. Those schools with small enrollments may want to continue to affiliate individual members at \$13 each.

- If a middle level chapter is affiliated, any member of that chapter may participate in any FCCLA national program or meetings. Verification of their enrollment in the class will be required.

Contact state adviser for spreadsheet template to send to National FCCLA. Paulette Farago pofarago@aol.com.

Urban Affiliation

FCCLA is the only youth lead career technical student organization that focuses on the family. Through peer education, students learn leadership skills that increase self-esteem, focus on family, career and community issues, and build a strong foundation for future social development. Give your urban students the opportunity to acquire these skills for life by joining FCCLA.

Eligibility: An urban school district located within the corporate limits of a city with a core population of 100,000 or more can enroll all of its students currently or previously enrolled in a Family and Consumer Sciences education class.

National

Affiliation Fee: \$4,500/district (Equivalent to 500 members at \$9.00 each)

State

Affiliation Fee: \$2000/district (Equivalent to 500 members at \$4.00 each)

Benefits: · Cost effective for at-risk urban schools. All students are eligible to participate in all national programs, attend National Cluster Meetings as well as the National Leadership Meeting.

The affiliated schools within the district will receive copies of *Teen Times*, not exceeding a total of 500 issues.

Teachers of each chapter receive a copy of *The Adviser*

Post Secondary Membership

National Dues \$15- Ohio Dues \$4
