Dear FCCLA Advisor:

FCCLA Day with the Cavaliers has become an annual tradition that continues to grow and energize FCCLA students and advisors each year. Last December, more than 1,600 students and faculty advisors attended the event and made it an incredible success!

Thanks to the overwhelming interest, we are happy to announce that the 3rd annual FCCLA Day with the Cavaliers will be held on Tuesday, December 9, 2008 at Quicken Loans Arena!

If you are unfamiliar with the event, FCCLA Day with the Cavaliers consists of an afternoon workshop of educational lectures given by professionals from various careers that specifically target the interests of students in FCCLA. Following the workshop, everyone is invited to sit back and watch the Cavaliers in action.

The event will begin at 3:00pm on Tuesday, December 9th at Quicken Loans Arena in Cleveland and will conclude at approximately 4:30pm. At 7:00 p.m. the Cavaliers will host the Toronto Raptors.

The workshop and a \$25 value game ticket are included in your registration fee for only \$20. As a special bonus, bus parking for this event is FREE (normally it is \$25 per bus. Buses must be pre-registered).

To register, please fill out the attached flyer. Due to limited ticket availability, the Cavaliers recommend you to register early. Additionally, we ask that this offer only be made to FCCLA members and chaperones so that as many affiliates as possible can participate in this opportunity.

*It's your dedication and hard work that make FCCLA and programs like this possible. Thank you for your support and we hope to see to you The Q!

If you have any questions please contact Carl Manteau with the Cavaliers at 216-420-2141 or cmanteau@cavs.com.

Sincerely,

Paulette Farago
Ohio FCCLA State Adviser
