

# Feed The Children with Ohio FCCLA

**Feed the Children is FCCLA's 2007-2008 National Outreach Project. FCCLA members have the chance to participate in a Truck Sponsorship program. Members can raise \$7,200 to send a truck with \$35,000 - \$50,000 of food and other essentials to help hungry families in the United States.**

## Ohio's Goals

Ohio FCCLA is challenging chapters across the state to raise enough money to sponsor 3 trucks for Ohio. This can easily be accomplished if every member contributes only \$2! Don't stop there! Fundraise with your chapter for Feed the Children!

### Ohio FCCLA's Feed the Children Awards

- Chapters that raise enough to meet the \$2 per member goal, the \$5 per member goal, the \$10 per member, or the \$25+ goal will be recognized at State Leadership Conference
- Chapters who raise over \$2,000 will receive a plaque and will also be recognized at State Leadership Conference
- Chapters that raise enough for an entire truck will also be recognized at the State Leadership Conference!
